AHCEM

**Connecting &
 Educating
 Health Educators**

Join us today for...

Value-added strategies, resources and networking that will improve your education goals and your organization's ability to adapt in the rapidly changing world of health care.

Membership

Is this you?

Do you coordinate or provide education or training for staff or patients in a health care environment? Then you “are” **AHCEM—the Association for Health Care Educators of the Midwest.**

You do not have to be in an official education position to benefit from the innovative and valuable resources AHCEM has to offer. Whether you are a preceptor, orientation specialist, charge nurse, education coordinator—nurse or non-nurse—AHCEM is right for you.

Health care is changing rapidly. We are all seeking to foster professional and personal growth, define current issues and future trends, and look for creative ways to keep our staff and patients up-to-date. AHCEM provides all this, as well as quick resources on our website or “e-answers” from your AHCEM colleagues!

Annual membership is still only \$70.

- With membership comes conference discounts, web resources, quarterly newsletters and much more.
- However, you can still attend our great health education conferences without being a member. If you enjoy an AHCEM conference, you may want to join and reap the additional benefits of membership.

Member Testimonials

I am an AHCEM member because:

- “...as a new member, I have never felt more welcomed and accepted. I had a wonderful time—great education and great information.” (following an AHCEM conference)
- “...I am reinvigorated to go back to work and implement these great ideas.” (following an AHCEM conference)
- “...of the ideas and energy I walk way with at conferences, encouragement and support I receive from fellow members, and the affirmation of why I love being an educator at my facility.”

“I wish I would have known about this group sooner!”

Education Opportunities

Conferences are held twice a year and are open to members and non-members. Members receive discounts on registration fees. Look for our schedule of education events on the website at www.ahcem.org.

Web/Virtual Resources

AHCEM’s website in a “working” resource for its members with a virtual library, web and speaker resource listing, conference handouts and more. It’s a handy, valuable resource right at your fingertips.

Virtual networking is available to members where you can ask “e-questions” of your colleagues. Responses are posted on the website for everyone’s convenience.

AHCEM Membership Form

Name _____ Title _____

Email _____ Specialty _____

Business Name _____ Bus. Phone _____

Address _____ Other Phone # (optional) _____

City _____ State _____ Zip Code _____

Make check payable to:
AHCEM

Return form & payment to:
**Dennis Denning
